GREEN SPRING GROUP CO.
FOR GENERAL TRADING & CONTRACTING W.L.L

شركة مجموعة الربيع الأخضر
للتجارة العامة والمقاولات ذ.م.م.

INTRODUCTION

Green Spring Company is a Kuwaiti company that was established in 1976. The company has grown over the years and has become a prominent player in the industry. Green Spring has several business verticals, including Steel fabrication, Construction works, Trading and Industrial equipment and Scaffolding Rental Services.

The company has a state-of-the-art steel fabrication facility that can handle complex projects across various industries. With a skilled workforce and modern equipment, Green Spring delivers high-quality products within a specified timeline and budget.

Green Spring's construction division has a proven track record of excellence in executing large-scale projects, including Commercial buildings, hospitals, Industrial, Infrastructure and Oil & Gas projects. The division's professional team ensures that projects are completed to the highest standards of quality and safety.

Green Spring's trading division has established strong partnerships with leading global suppliers, enabling it to offer a wide range of products, including Steel, Construction materials, Automation products, Electrical products, Instrumentation products, Diesel Gensets and industrial products at competitive prices.

The company's scaffolding and equipment rental services division provide customized solutions to meet clients' unique needs. With a large inventory and experienced staff, Green Spring Company provide safe, reliable, and cost-effective solutions to clients across various industries.

Overall, Green Spring Company has a reputation for quality, innovation, and customer satisfaction. The company's commitment to excellence and its diversified business verticals makes it a preferred partner for clients across various industries.

Mission

Our Mission: We are committed to providing exceptional products and services in Steel fabrication, Construction works, Trading and Scaffolding & Equipment Rental Services. We strive to exceed our clients' expectations through innovation, quality, and timely delivery. We are dedicated to our employees' growth and development, providing a safe and positive work environment, and creating value for our shareholders while giving back to the community.

Our Vision: To be a leading provider of innovative and sustainable solutions in our key business verticals, delivering value to all our stakeholders and contributing to the economic development of Kuwait and the region.

Vision

Values

Our Vision:

- T** – Teamwork: Divides the work and multiplies the success
- E** – Ethics: Always do the right things
- A** – Accountability: Take Ownership & Responsibility
- M** – Mutual Respect: Trust & Respect the Ideas
- S** – Service Excellences: Solution oriented Mind set

TEAMS

Green Spring Group Co for General Trading & Contracting WLL

HSE Policy

Green Spring Group Co for General Trading & Contracting WLL considers HSE as one of the main priorities in the company. Top management and employees believe that no part of its business objectives can be carried out effectively and successfully if not performed safely, therefore; the prevention of accidents and incidents, either related to personnel injury/property damage and/or loss of company assets/pollution generation reduction and preservation of natural resources should be considered as a high priority.

For this purpose, we are committed to:

- Conducting specific and realistic day to day operational measures to protect its personnel and any other related party/partner.
- Promoting, integrating and maintaining HSE Aspects in all company operations. Apply reduce, reuse & recycle methodology during the waste generation in order to prevent adverse environmental impacts.
- Our Top Management should guarantee to meet the required standard of Health Safety & Environmental performance in compliance with Kuwait Laws/Legal and international requirements, ISO 45001:2018, ISO 14001:2015 and Client guidelines.
- Our Top management should ensure that all the sub-contractors are ready to commit to the company's HSE requirements and procedures in order to support a safe work environment.

The continual improvement and implementation of the HSE Policy, Objectives and procedures will be periodically monitored, reviewed, updated & communicated all persons working under our control to ensure that standards are being maintained.

This HSE Policy will be made available to any interested party upon request.
